Dear Mr. Antun:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-On Schedule A supporting Line 11(a)(i), you disclose a receipt from Francine LeFrak and Richard LeFrak as a memo entry with no corresponding receipt included in the line total. A memo entry is used to disclose additional information about an itemized transaction that is included in the total receipts or disbursements for the current report or previous report. Please amend your report to clarify this discrepancy.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
